

Peoria Playhouse Museum Wayfinding App

Created by Libby Houdek

Caterpillar Classroom Area

CATERPILLAR

The logo for the Caterpillar Classroom Area features the word "CATERPILLAR" in a bold, black, sans-serif font. The letter "A" is partially obscured by a yellow triangle pointing upwards. The text is centered within a light blue diamond shape that has a thick green border.

Main Level Featured Exhibits:

Motion Commotion  [^]
 Exploring momentum, gravity, speed, force and distance is fun with balls that roll down ramps, travel through shoots, launch into nets and stand on air.

- Sand Porch
- Mind Zone
- Peoria Then & Now Interactive Wall
- Family Farm
- Starved Rock Climbing Wall**

A large climbing area lets children navigate the climbing wall and rope maze with cross lateral movement. It's a 'traverse' climbing wall, meaning the climber goes across rather than up. This makes it extra safe, since kids can't climb very high.

- Caterpillar Classroom Area

Level 2 Featured Exhibits:

World Of Science Lab

This constantly-changing space includes hands-on science experiments for kids of all ages. You might explore the properties of liquid nitrogen or create your own polymers. Learn about biology, physics, and chemistry in a fun and exciting way. Discover science activities that you can try at home.

- Interactive Paint Wall**

Interactive Paint Wall

Our new digital Paint Wall gives you the ability to express your own artist creations on a larger than life canvas. After we snap and individual or group photo, you can easily paint on the photo just like a coloring page with a realistic spray paint. Within minutes you will walk away with a personalized work of art. Includes wide palette of paint colors, features such as animated stars, swirls, drip effect paint and a variety of stencils.

Level 2 Featured Exhibits:

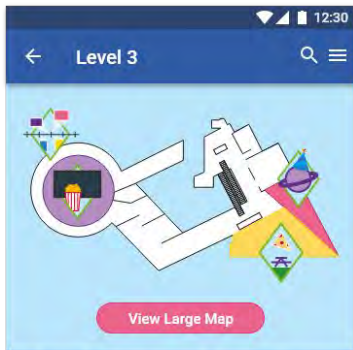

- World Of Science Lab
- World Of Science TV Wall
- Interactive Paint Wall
- Weather Station**

Weather Station

Our new WMBD Weather Station features green screen technology, current weather and informative, interactive touch screens. Hands on, fun and engaging for both children and adults. Museum visitors of all ages will work together and role play as they become meteorologists, newscasters, and producers bringing live weather to their families and other guests visiting the museum.

- Imax Theatre
- Pizza On The Prairie Cafe
- Space Center Birthday Terrace**

Celebrate with an 'out of this world' birthday. First, your crew will have non-stop fun throughout our action-packed exhibits during a special tour led by a talented Astronaut Museum Guide. Next, enjoy refreshments in your private party room within the third floor Space Center Birthday Terrace. And the icing on the cake for parents? We'll handle it all, from set-up, catering, and (best of all) clean-up. Now that's a wish come true!
